COMPANY PROFILE

S3A SOURCING

Special Focus: Sweater & Knitwear

Your reliable apparel sourcing partner from Bangladesh

Established 2025 | Uttara, Dhaka, Bangladesh | www.s3asrc.com

WHO WE ARE

About S3A Sourcing

S3A Sourcing is a Bangladesh-based garment buying and sourcing company, established in 2025 in Uttara, Dhaka.

Our founder brings 25+ years of hands-on experience across factories, buying houses and garment trading in the Ready-Made Garments (RMG) sector. This gives us a practical understanding of production, sourcing and quality control.

We connect international buyers with suitable partner factories in Bangladesh, selected for product fit, capacity and buyer requirements. Our special focus is sweater and knitwear.

S3A Sourcing is a young company. We build long-term partnerships through honest communication and consistent performance.

OUR GOAL

The right product, at the right price, on time.

MISSION

Deliver reliable, customer-focused sourcing through responsible operations, quality and integrity.

VISION

To be a trusted global sourcing partner, driven by quality, innovation and positive social impact.

OUR VALUES

Ownership

One team, shared accountability.

Trust

Business built on honesty and transparency.

Commitment

We stand behind every order we coordinate.

Quality

We do not compromise on agreed product standards.

Partnership

Long-term, transparent relationships.

WHAT WE DO

Services & Capabilities

Product Development

Design support, sampling, tech pack review and sourcing of yarns, fabrics and trims to meet brand and market requirements.

Sourcing & Factory Matching

We match buyers with suitable factories based on product type, capacity, quality and cost.

Merchandising & Order Management

Costing, order placement, timeline control and buyer–factory coordination from confirmation to shipment.

Quality Control Coordination

Production follow-up with inline and final inspections arranged with partner factories and the S3A QC team.

Logistics & Shipment

Export documentation, shipping coordination and delivery follow-up to destinations worldwide.

Compliance Coordination

We coordinate ethical, social and environmental compliance requirements with partner factories.

We list only certificates that our partner factories actually hold.

SOURCING PROCESS

How We Work

01 Enquiry

You share the product reference, specifications, quantity, target price and required timeline.

02 Costing

We review suitable factory options and coordinate costing against your target.

03 Sample

Where feasible, we coordinate sampling and clarify product specifications.

04 Approval

Commercial terms, approved specifications, responsibilities and timelines are confirmed in writing before production.

05 Production

We follow up production progress with the factory and keep you informed.

06 Quality control

Quality-related matters and inspections are coordinated within the agreed scope.

07 Shipment

We coordinate shipment readiness, documents and delivery updates.

07

clear steps from enquiry to shipment

Written confirmation of specifications and terms before production starts.

WHY S3A SOURCING

Experienced leadership

Our founder has worked across factories, buying houses and trading in the RMG sector.

Knitwear focus

Partner factories selected for sweater, knitwear and woven production.

Cost-conscious sourcing

Options matched to your target price and quality expectations.

Clear communication

Direct, responsive contact and regular progress updates.

Timeline awareness

We work to agreed timelines and flag risks early.

Flexible approach

Sourcing shaped around each buyer's requirements.

LEADERSHIP

Founder & Team

FOUNDER & MANAGING DIRECTOR

Md. Sadek Ali

With 25+ years of experience in the RMG industry, our founder has worked across factories, buying houses and trading operations.

This hands-on background helps us understand both buyer expectations and factory capabilities, and supports clear, practical coordination of every order.

CO-FOUNDER & BUSINESS DEVELOPMENT

Md. Ahsan Habib Adib

Responsible for business development, communication and digital operations.

Focused on building global connections, managing client communication and developing modern sourcing solutions for international buyers.

Together, we combine real industry experience with a modern business approach.

OUR COMMITMENT

Our Commitment to Buyers

- A direct point of contact for sourcing discussions
- Enquiry-specific review of products and options
- Written confirmation of specifications and terms before production
- Transparent communication about progress, feasibility and limitations
- Agreed coordination and follow-up

Let's discuss your next project

Whether you are sourcing sweaters, knitwear or other apparel, we welcome your enquiry. Share your product reference, estimated quantity, destination market and required timeline. We will review your requirements and discuss the next steps.
